

ACADEMIC SECURITY AND COUNTER EXPLOITATION PROGRAM ANNUAL SEMINAR

2021

DRAFT AGENDA

Updated: April 19, 2021

In its fifth year, the Academic Security & Counter Exploitation Program's annual higher education seminar brings together experts from federal law enforcement and intelligence services, academia, and the private sector to examine, promote awareness of, and counter the threat posed by Foreign Influence and theft of academic research.

Event will be held online this year: Every Wednesday in April.
